

Obituary

Reginald Johnson, fondly known as Reggie, was born to Frances Johnson on November 16, 1962. Reginald grew up in the Bronx, NY. He loved sports, fishing and taking long walks.

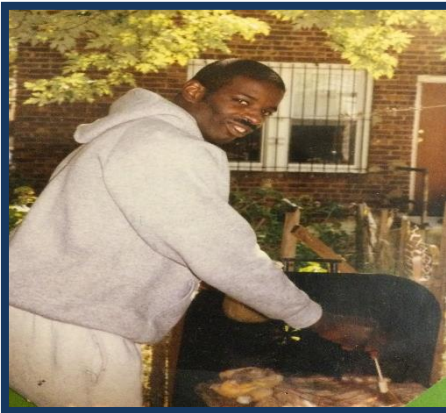

Everybody who knew Reggie loved him. Reggie was personable, a joker at heart, always picking fun and making you laugh. He was an avid fan of board/card games and a fierce Spades and Bid-Wiz opponent!

Throughout his youth, like many, Reggie wrestled with his demons and through the Grace and Mercy of God, was blessed to have an opportunity to embrace change and become a better individual for it.

In 2011, Reggie was diagnosed with Traumatic Brain Injury. Quickly, Reggie turned his misfortune into triumph, as Reggie had the unique opportunity of extending his family to include his close friends and Caregivers. He was adored by those at Optimum Choice, Inc., The Bronx TBI Program/Howie Stone Adult Center and Abled Bodies, Inc. They all helped to fill Reggie's days and nights with joy and lasting memories.

Reggie was proud to be a part of the TBI community and enjoyed participating in various walks, lunch outings, and other positive recreational activities. Whenever one asked him how he was doing, he would answer, "I feel fine, nothing hurts me." He would then enthusiastically proceed to tell you about his day at Bronx TBI.

Although Reggie will be missed, our family holds comfort in knowing that he is joined in spirit with our beloved mother Frances Johnson. Reggie will not be forgotten and the love we hold for him will be burning until we meet again! Reginald leaves to mourn 3 sisters, Patricia Bellinger, Tara Johnson and Melissa Johnson. One brother Bernard Johnson. Maternal uncles Joseph Ling, William Ling and Thomas Ling and a host of nieces, nephews, cousins and friends.

Reggie valued spending time with his family. He especially enjoyed cookouts, as Reggie loved eating and grilling his favorite foods. Reggie will truly be missed and our family gatherings will not be the same without him!

*"Now abideth faith, hope and Love, these three, but
the greatest of these is Love."*

I Corinthians 2:13

Acknowledgement

*The Johnson Family would like to express their sincere appreciation
to all those who have offered their condolences and prayers during
our time of bereavement.*
