The Prayer of Benediction

*In tears we saw you sinking
And watched you fade away
Our hearts were almost broken
Because we wanted you to stay
But when we saw you sleeping
So peacefully and free from pain
How could we wish you back with us
to suffer that again
It breaks our hearts to love you
But you did not go alone
For part of us went with you
The day God called you home.*

With Our Thanks

...that we through the patience and comfort of the scriptures might have hope, (Romans 15) God has given us our church family, neighbors and dear friends, to help us as we go forward. God's Word has been manifested through your many expressions of sympathy and support; we praise God from whom all blessings flow. Thank you for honoring the memory of our beloved Lizzie and for remembering us during her illness and passing. In our risen Lord, we have peace that passes all understanding. The Family
