

Obituary

Rose Esther Walker, daughter of the late Paul Taylor and Ersie Bell, was born in Texarkana, Arkansas. At a young age, she and her mother moved and settled in Edgewood, Maryland. She attended the public schools of Harford County at Magnolia Elementary, Magnolia, Md and graduating in 1956 from Central Consolidated School, Hickory, Md. She met and later married Alcure Walker, Sr. on November 25, 1956 and was always very family oriented. To their union three children were born who were very much loved as she also freely loved and welcomed her step-son and step-daughter! She was very attached to her grandchildren, great grandchildren and great, great grandchildren and was fondly known to them as GAM. As a homemaker she loved cooking, baking cookies and cakes, decorating, plants and sewing. She was employed at the Perry Point Veterans Hospital thirty one years as a dedicated nursing assistant who cared for and served our veterans.

Following a lengthy illness, Rose transitioned from this life to a better one on Monday, February 22, 2021, surrounded by family at her home in Aberdeen, Md. She was preceded in death by her mother, Ersie L. Bell, her father, Paul Taylor, step-father, James Bell, Sr. and brothers David R. Bell, Ronald Taylor and Ersell Taylor. Left to cherish precious memories are her loving and devoted husband Alcure Walker, Sr., daughter, Robin (Clarence) Williams, Killeen, Texas, son, Gary (Debra) Walker and Alcure Walker, Jr. (Deanna), daughter Lucinda McDowell, all of Aberdeen, Maryland and son, Peter Carl Shedrick, New Smyrna. Florida; brother, James J. (Beverly) Bell, Jr., Aberdeen, Maryland, aunt Edna Hawkins, Fresno, California and a host of relatives and friends.

If I go first, my dearest one, I just want you to know
That I will still be in your heart no matter where you go.
For love like ours cannot be severed by the stroke of death.

It will go on and on as long as one has breath.
The memory of what has been will carry you along
And I do believe that your heart will contain a song.
For memory has a magic way of helping aching hearts.

It can do the impossible of mending broken parts.
God gives some golden memories to the ones left behind.
Thoughts with hope to bring them faith and blessed peace of mind.
So, if I do go first, remember what I wrote and your remaining
days will be sunny and bright!
