

Unforgettable

My heart is full of memories, with pride I
speak your name, though life goes on
without you, it will never be the same,
your life was a blessing, your memory a
treasure, you are loved beyond words and
missed beyond measure. Time slips by
and life goes on, but from our hearts
you're never gone. We think about you
always. We talk about you too, we have
so many memories, but we wish we still
had you. Sometime I wish for you to
comeback, but I don't want you to suffer
again. I know you are with us, and I will
always love you with all my heart. You
left us without warning, not even a good-
bye and I can't seem to stop asking the
question why? I didn't see this coming ,
it hit us by surprise and when you left for
Heaven a small part of me died. Your
smile could brighten anyone's day no
matter what they were going through and
everyday for the rest of my life, I'll be
missing you because,
Annastasia Laquelle Simpkins,
you are, was and will always be.

Unforgettable!!!!
