My Gentle Giant

For 12 years you have been the peace in my storm.
Your tenderness and love captured my heart.
You brought out the softer side of me
I will miss your quiet strong nature
I will forever hold you in my heart
Which means even in death we will never be apart
What we had was true bliss
My Jones I will dearly miss
It has been a joy taking this journey with you
I know during this hard time
God will see me through.

I love you, *Sharon*
