To Our Queen Mother

**Mother, we want to thank you for being our one and only Queen
You were always so sharp and clean.**

**We know you have loved us unconditionally
And you never treated us differently.**

**We will never forget the things you did for us to have a better life
And you definitely gave us the best advice.**

**We all feel like our lives have fallen apart
And we know YOU will always remain in our hearts.**

**You had the kindest heart and have set the standards so high
And for that we shall never say goodbye.**

**We know you want us to be strong and love each other
So we will do our best because we love you, mother.**
