

A Very Special Brother

*It seems to me the day you left
The sun forgot to shine
Because it feels as though the lights gone out
Within this heart of mine
My body feels so broken
Because we had to say goodbye
And my tears they fall like raindrops
Everytime I cry
The pain that I am feeling
Is like a storm inside my heart
And it only grows much stronger
Everyday that we're apart
It's hard to see the future
And to make it through the day
But I know you will be with me
And will help to light my way
When the light goes out for me
I know what I shall do
I'll close my eyes one final time
And I will be with you*
