

Hey Mama

Let me start by saying that I am so happy for you, knowing that you're whole, healed and no longer in pain, makes me the happiest I've ever been.

As for us, we did a lot in 27 years ma, from diapers to graduate school, we were thick as thieves. You were my superhero and I was your AJ we had each other and we were set. As for everyone else, we're fine, yes we miss you already but the rest you're getting is WELL deserved.

We'll miss your laugh, your smile, the way that you would shoo us out of the kitchen on holidays, or how you'd throw your hand up and say "alright yall I'm gone to the house" but most of all we miss your feisty and fighting spirit.

Tell the girls (Ethel, Cat, Dot and Marian) that we said hey and that we love and miss them. I know yall have a lot of catching up to do, so whenever you get around to it is fine.

We love you so much and we're gonna miss you so much.

Love "AJ" and family.
