

Heaven Couldn't Wait for You!

You left behind your
nieces and nephews
Since you had no kids of your own...
So with these words I pray it sends
you our
Love, now that you're gone...

I pray we showed you love
I pray you really knew, that even
though
Heaven couldn't wait
we still needed you!

We should've had more time...
Time to say we love you
Time to say we'll miss you
Time to say "you're right"... even
though
You were mostly wrong...
But time to say Goodbye
before you took
Your journey home...

Heaven couldn't wait for you
and we can
Say that with a smile
because Uncle Stevie
Lee you finally made it
and we'll see you in a little while.
