

### *The Plan*

The Vision we had has changed.

Now my mind is clouded,  
because my life  
will never be the same.

I felt defeated because  
you couldn't stay for a while.

But when I think of you,  
I can't help but smile.  
You fought a good fight,  
now you're our angel  
and our light,  
you will forever shine bright.  
Your life was short but sweet  
and every precious memory,

I will carry with me.

All the accomplishments,  
I'll continue to make I know  
you will be cheering  
from the heaven above.

Our bond was inseparable with you  
always giving so much love.

So this isn't goodbye,  
take your rest,

until we meet again,

Thank you Lord for blessing us  
with the best.

### *A Timely Butterfly*

Just like a beautiful sunrise that illuminates the morning sky, your smile was just as radiant, changing the atmosphere which no one could deny. It seems that your life was cut short, but see God he always had a plan, he allowed you to touch those he needed, and there will be some who won't understand. See time itself is a mystery for no one knows the day not the hour, so, take advantage of what time is left it is time to live, love and smell the flowers. See Tabitha has taken her flight and may your memories of her run deep. For in each one of you that loved her, her joy and laughter are in your heart to keep. Its in those dark days to come when your mind starts flashing back that you can reflect on the good times, so the memories won't seep through the cracks There is time to weep and to laugh, a time to be born and a time to die, but know God had the final word, so he called home his "Timely Butterfly."
