

## Death is Only a Part of Life

We enter this world  
from "The Great Unknown"  
And God gives each Spirit  
a form of its own  
and endows this form  
with a heart and a soul  
To spur man on  
to his ultimate goal . . .  
For all men are born  
to Return as they Came  
And birth and death  
are in essence the same  
And man is but born  
to die and arise  
For beyond this world  
in beauty there lies  
The purpose of death  
which is but to gain  
Life Everlasting  
in God's Great Domain ...  
And no one need make  
this journey alone  
For God has promised  
to take care of His own.
