## **Dedicated to My Father**

Dad you are the strongest man I know,  
you made me feel like  
you were a real life super hero,  
when I was a kid.

And I never forgot that feeling  
as you helped me become a man.

You will always be my hero.

The entire family loves you.

We will never forget you  
and all the lives you've touched,  
including my wife, your nieces, nephews,  
their kids and even kids that weren't related,  
but you still treated them like family.

You are missed.

Love your son, Anthony Jamarr
