## *To My Husband*

When God was making husbands as far as I can see, He made a special soulmate especially for me. He made a perfect gentleman, compassionate and kind, with more love and affection than you could ever wish to find. He gave my darling husband a heart of solid gold, He gave me wonderful memories, only my heart can hold. He was someone I could talk to that no one can replace, he was someone I could laugh with until tears ran down my face. Next time we meet will be in the Heaven's door. When I see you standing there, I won't cry anymore, I will put my arms around you and kiss your smiling face, then the pieces of my broken heart will fall back into place. Miss you so much!

*Your Forever Grateful Wife,  
Love you Cookie*

## *To My Grandpa*

Dear Papa,

I wish I could see you one more time come walking through the door, but I know that is impossible. I want hear your voice no more. I know you can feel my tears and you don't want me to cry yet my heart is broken because I can't understand why someone so precious had to die. I pray that God will give me strength and somehow get me through as I struggle with this heartache that came when I lost you.

*From your #1 girl Taniya,  
love you grandpa*
