Life Is But A Stopping Place

Life is but a stopping place.

A pause in what's to be.

A resting place along the road, -to sweet eternity.

We all have different journeys, different paths along the way.
We all were meant to learn some things, but never meant to stay.

Our destination is a place,

Far greater than we know.

For some the journey's quicker,

For some the journey's slow.

And when the journey finally ends,

We'll claim a great reward,

And find an everlasting peace,

Together with the Lord.
