

## Good Night!

*Good Night! Good Night! Good Night!*

*Sad, but sudden was the call of one so dearly loved by all.  
A bitter pain, a shock severe it was to part with one so dear.  
We'll often sit and think of you and speak of how you died.*

*To think you could not say*

*Good-bye before you closed your eyes.*

*For all of us you did your best, O God, grant you eternal rest.*
