

Nephew

The day you left and gained your wings, my heart broke in two. I wish you could have stayed with me, but heaven needed you.

You left me with memories and I love you dearly still. No matter how much time goes by you know I always will.

You were a very special person. With kindness in your heart and the love we had together grows stronger now we're apart.

I know I cannot bring you back although I wish it every day. But a piece of me went with you the day you went away.
