

Remember Me

Don't remember me with sadness,
Don't remember with tears,
Remember all the laughter
We've shared throughout the years.
Now I am content no more sickness,
No more pain, my life it was worthwhile.
Knowing that I passed along the way,
I made somebody smile.
When you are walking down the street and
you've got me on your mind,
I'm walking in your footsteps,
only half a step behind so please
don't be unhappy just
because I'm out of sight.
Remember that I'm
with you each morning,
noon and night.
