

Your gentle face and patient smile.

With sadness we all recall
you had a kindly word for each
and died beloved by all.

The voice is mute and stilled
the heart that loved us well and true.

Ah, bitter was the trial to part
from one so good as you.

You are not forgotten
nor will you ever be as long as life
and memory last we all will remember thee.

You will be missed but the hearts
of those who loved you are sore,
as time goes by they will miss you more,
your loving smile, your gentle face
no one can fill your vacant place.
