

Come With Me..

God saw you getting tired, and a cure was not to be
So He put His arms around you and whispered 'Come with Me.'
With tearful eyes we watched you suffer and saw you fade away
Although we loved you dearly, we could not make you stay.
A golden heart stopped beating, hardworking hands at rest,
God broke our hearts to prove he only takes the best.
It's lonesome here without you, we miss you more each day,
Life doesn't seem the same since you've gone away.
When days are sad and lonely and everything goes wrong,
We seem to hear you whisper 'Cheer up and carry on.'
Each time we see your picture, you seem to smile and say
'Don't cry, I'm in God's keeping, we'll meet again someday.'
You never said 'I'm leaving', you never said goodbye,
You were gone before we knew it, and only God knew why.
A million times we needed you, A million times we cried,
If love alone could have saved you, you never would have died.
In life we loved you dearly, in death we love you still.
In our hearts you hold a place, that no one could ever fill.
It broke our hearts to lose you, but you didn't go alone,
For part of us went with you, the night God took you home.
