

Metropolitan Saguna's Coat of Arms

In loving memory of
Keith A. Hitchens

APRIL 2, 1931- NOVEMBER 1, 2020

And if it was to be done again,
I would take the same path,
A voice rises from the chains
And speaks of tomorrows

(Et s'il était à refaire
Je referais ce chemin
Une voix monte des fers
Et parle des lendemains.)

(Louis Aragon, Ballade de celui qui chanta dans les
supplices, 1943)
