"A Precious One"

A precious one from us has gone,
A voice we love is stilled,
A place is vacant in our home,
Which never can be filled.
And after a lonely heartache,
And many a silent tear,
But always a beautiful memory
Of one we loved so dear.

I'm Free

Don't grieve for me, for now I'm free; I'm following the path God laid out for me. I took His hand, when I heard Him call. I turned my back and left it all. I could not stay another day; to laugh, to love, to work or play. Tasks left undone must stay that way; I found that peace at the close of day.

If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, ah yes, these things, you the sunshine of tomorrow. My life's been full, I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now, with undue grief. Lift up your hearts and share with me God wanted me now, He set me free.

Know that I always will love you, Moma!
