## Lady With The Flowers Off Highway 10

*Memories are made up of magic,  
They're made up of all tinsel and lace,  
A memory here of a wonderful time,  
A memory there of a wonderful place.*

*And that's how we remember our childhood,  
Such a great place and such a great time.  
So please sit back, and let us look back,  
And I hope you enjoy this wonderful rhyme.*

*We grew up in Dickinson, North Dakota,  
Where the winters can take your breath away  
But memories of eight foot snowmen,  
soon melt on the breeze of a summer's day.*

*The "Lady with the flowers off highway 10",  
Gardened well and her time was wisely spent,  
Thousands got to know her beautiful displays,  
Can you smell again that heavenly scent?*

*We've always loved our animals,  
some were hand reared and bottle fed,  
They say that you can lead a horse to water,  
But boy! Chief wasn't that easily led!*

*I remember the canned tomatoes,  
And making jam by the pond,  
You've always grown the best cabbages,  
And mom you make the best pigs in the blanket  
around.*

*Dad milked his cows in his early years,  
bent over on a cold concrete floor,  
I guess there were too many early mornings,  
Because his knees and back said "no more"!*

*So now you will rest with the Lord,  
and your memories we will keep forver in our hearts.  
All our love is given to you our mother,  
Forever in God's grace.  
Your Children and grandchildren.*
