*When I am gone, release me. Let me go  
I have so many things to see and do.  
You mustn't tie yourself to me with tears, Be  
happy, we had so many years.*

*I gave you my love and you can only guess  
How much you gave to me in happiness.  
I thank you for the love you each have shown  
But now it's time I traveled alone.*

*So grieve a while for me if grieve you must  
Then let your grief be comforted by trust.  
It's only for a while that we must part  
So bless those memories in your heart.*

*I won't be far away for life goes on  
So if you need me, call and I will come.  
Though you can't see or touch me, I'll be near  
with all my love around you soft and clear.*

*And then, when you must come this way alone,  
I'll greet you with a smile and  
"Welcome You Home"*
