"We Miss You"

We wish that we could tell you, we're not ready to let you go. But you've already departed, and our hearts are feeling low. We miss that little twinkle that used to light up your eyes and we miss the sound of your voice saying this is your Daddy, call your Daddy! Your laughter and your sighs, but most of all we'll miss the way you made us feel, like nothing could ever harm us because your love was so strong and real. There are others here who will miss you, and they've gathered here today. Your life touched so many people, who became your friends along the way. They want you to know they love you, too. And they're filled with sadness and grief. No one really want to say goodbye, so we'll wish you eternal peace.

Acknowledgements

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a funeral spray, if so we saw it there. Perhaps you spoke the kindest word as any friend could say. Perhaps you were not there at all, Just thought of us that day. Whatever you did to console our hearts, we thank you so very much, whatever the part.
