### *"When I Must Leave You"*

When I must leave you for a little while, please do not grieve and shed wild tears and hug your sorrow to you through the years. But start out bravely with a gallant smile; and for my sake and for my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near. And never, never be afraid to die, for I am waiting for you in the sky!

### *Acknowledgement*

Sincere thanks to all our friends who have showered love and kindness upon us during our time of sorrow. We received comfort in knowing that Quiyon was loved by so many. May God continue to bless each of you.
