

*The Comfort  
and Sweetness of Peace*

*After the clouds, the sunshine,  
after the winter, the spring,  
after the shower, the rainbow,  
for life is a changeable thing.  
After the night, the morning,  
bidding all darkness cease,  
after life's cares and sorrows,  
the comfort and sweetness of peace.*

## *A Tribute to Our Sister*

*It feels like years, but it has only been days, and, yet, that is still too long. I still love you the same as if you were still here with me, laughing during the good times and crying during the bad ones. I miss being able to call you any time and spend hours talking about everything under the sun. As children, we were practically joined at the hip, but we grew up and grew apart, as most siblings do. We had our own set of friends, and our own set of goals for our lives, but that still didn't change the fact that we were sisters. There was nothing that I wouldn't do for you, and nothing that you wouldn't do for me. I always wish you were still here with me enjoying life, but I can understand why God would want such a beautiful angel on his side from now, until eternity. Just know that I love and miss you, and this is the tribute to you, my big sister.*

*Dyneshia J. Thomas, Sister*

*How do you say goodbye to a part of yourself? I can't and I will not. I will say that I love you and miss you already. Sister, you are gone too soon, but rest well.*

*Your Brother Forever, Marcellus Green*

*P.S. - Thanks for waiting on me.*

*To know I had a sister to turn to in difficult times, a sister who was there for me in everything I do, was such a source of comfort, such a treasure. It makes the problems that I've had much easier to endure. It was such a joy and so uplifting to share laughter with my sister by my side. You have been my motivator, you have been my strength, you gave me your hand whenever you could, you have even been my eyes when I couldn't see. Thank you so much, my sister, my friend. My gratitude for you has no end. Though words are never quite enough, the message that I send, is that I feel blessed to have you as my sister and my friend.*

*Sadie B. Lane, Sister*

## *My Beautiful Angel*

*I still believe that prayer changes things, and God is still God, no matter the outcome. It was the greatest honor and privilege to have Patricia Ann Dallas as a girlfriend, best friend, mother of our children, and my wife. God saw fit to reclaim the life that he put on loan to this world. Prayer has brought me to a place of solace and peace.*

*Job 1:21 KJV says, "Naked came I out of my mother's womb, and naked shall I return thither: the Lord giveth, and the Lord taken away; blessed be the name of the Lord."*

*Our "Loved Ones, Parents, Sibling, Spouses, and Children" are on loan to us only for a season, but God reserves the right to reclaim their souls. I am so grateful for the time and memories that we shared together. They will be forever cherished. I was truly blessed to have a woman who loved God. She was faithful to me throughout our marriage and even as well as our courtship. A true Warrior in Christ and a friend to the world.*
