*I love you more than life itself.
And now I'm left by myself.
In a world so cold but
You know I don't fold
Tied together for 23 long years
And shed many tears
Tears of sorrow, but mostly joy
That no one on the planet was able to destroy
A bond we shared was incredibly unbreakable
My guy you are definitely irreplaceable
Such a gentle giant to me
Continue to watch over me
We shall meet again one day
To love, laugh and play
My confidant I could tell anything
I love you and miss you dearly, my King!
-Love Your Daughter, "Stanka"*
