

### *God's Garden*

God looked around his garden  
And found an empty place.  
He then looked down upon the earth,  
and he saw your tired face.  
He put his arms around you  
And lifted you to rest.  
God's garden must be beautiful,  
He always takes the best.  
He knew that you were suffering,  
He knew that you would never get  
well on earth again.  
He saw the road was getting rough,  
And the hills were hard to climb.  
So He closed your weary eyelids,  
and whispered "Peace be thine."  
It broke our hearts to lose you,  
But you didn't go alone  
For part of us went with you  
The day God called you home.

### *Acknowledgement*

Our hearts are so full of love and gratitude to all of you. We are most grateful to God for the gifts of friends like you, who have been so kind and thoughtful during these times of sorrow. Your visits, calls, prayers, words of consolation, food, flowers, and the many kind acts, both seen and unseen, have sustained us throughout the passing of our loved one "Lamar". May God ever bless each of you.
