## Momma

I can't rest knowing I left you sad and depressed.  
 I can't rest knowing You are not in a place to Celebrate a day that I looked forward to (Mothers Day)... I'm not with you in flesh but I'm here in spirit  
 I've lived my life an I want you to do the same  
 It's ok for you to cry at times. I know you miss me because I miss you.  
 Live your life, not with your heart full of sadness.  
 Live your life with Joy like I did.  
 Dance most nights away like I did  
 Travel the world like I did  
 And enjoy being a Mother like I did  
 Enjoy the laughter with the kids because one day we will stand next to each other together and We'll be the ones watching from above at the ones down below that's gonna mourn for you. Let them know "You are not promised here. You're like the wind blowing through"  
 So look baby I'm Ok it's amazing where I am. I'd rather be here this is my place now. I could never prepare you for what happened. You will understand why later!! I love you and I'm with you daily.

I am you 🥰  
**Mommy loves you.**
