To Those I Love And Those That Love Me

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a "Welcome"

Acknowledgement

Although it is difficult to accept the lost of our loved one, we the family members are grateful for each of you who have found so many ways to show concern, love and sympathy during this great loss. We have found it to be a comfort, and for this we are eternally grateful.

Daddy

*We will always remember
you Daddy because
there will never be another one to replace you
in our hearts,
and the love we will always
have for you.*

To My Husband

*My heart still aches with sadness,
The secret tears still flow,
What it meant to lose you
No one will ever know
Your resting place I visit,
Your flowers I place with care
Nobody knows the heartache
As I turn and leave you there*
