~A Fallen Limb~

A limb has fallen from the family tree. I keep hearing a voice that says "Grieve Not For Me". Remember the best times, the laughter, and the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your lives, don't stare at the wall. I miss you all dearly, so keep up your chin. Until the day comes when we're together again.

Acknowledgements

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral spray. If so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all, just thought of us that day. Whatever you did to console our spirits, we thank you so much from the bottom of our hearts.

"The Watcher"

*She always leaned to watch for us
Anxious if we were late,
In winter by the window,
In summer by the gate.
And though we mocked her tenderly
Who had such foolish care,
The long way home would seem more safe,
Because she waited there.
Her thoughts were all so full of us,
She never could forget.
And so I think that where she is
She must be watching yet.
Waiting 'til we come home to her
Anxious if we are late
Watching from Heaven's window
Leaning from Heaven's gate.
