## *I Thought of You with Love Today*

*I thought of you with love today  
But that is nothing new  
I thought about you yesterday  
And days before too,  
I think of you in silence  
I often speak your name  
All I have are memories  
And your picture in a frame.  
Your memory is my keepsake  
With which I'll never part.*

## *Acknowledgements*

Our family is most grateful for the gift of friends like you who have been so kind and thoughtful during our time of sorrow. Your visits, calls and every act of kindness have given us strength and inspiration for the road ahead. God bless you,
