To Those I Love & Those That Love Me

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so treasure the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I will be near. And if you listen with your heart, you'll hear, all my love around you, soft and clear. And then, when you come this way alone, I BRANDON LEE WILSON will greet you with a smile and a "Welcome Home."
