**RECESSIONAL**

God called your name  
That only you could hear  
And no-one heard the footsteps  
Of angels drawing near.

It broke our hearts to lose you  
But you did not go alone  
For part of us went with you  
The day God called you home

Now you know sweet peace  
like never before, rest on my love we will see  
you on the other shore.
