Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral spray, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you very much whatever the part, may God bless you.

Tribute

My Love,

In your arms I found peace, tranquility, and endless joy. God put us together and our love has withstood the test of time. Since the day we met you have defined manhood in a remarkable way, demonstrating the perfect balance of physical strength and gentleness. Your life has inspired our children and grandchildren to strive to be the best versions of themselves. Your commitment to God's word will forever permeate the lives of everyone you touched. Every time I think of you, I smile, knowing that I was blessed with God's Best. As I journey through life without your physical presence, I will hold on to your legacy of faithfulness. I will tell our great-grandchildren of the many ways you cared for our family. I will cherish the special ways you cared for me. Thank you for being my number one and for always showing that I am yours.

Your forever love,

"Kidd"
