

My Family

This is my family,
My mother, my sister and me.
We have a special bond we three.

My mom is my mentor and my friend,
Her love and kindness has no end.
She's strong and strong willed and never gives up,
On me and my sister's hardships and such.
She's always there with a smile.
And knows what to say when we hurt for a while.

My sister is there to make me whole,
For without her I sometimes lose control.
We have many secrets, we two,
And if we told Mom, we knew what she'd do

And me, I'm the apple of their eye,
I love those two, and this is why,
They are the pillar of my strength, you see,
God connected us special "my family"

Love you Always
