## *Daddy*

Even though your smile is gone forever, along with our long phone calls, we still have our many memories of the one we love so much. Your memory is our keepsake with which we will never part. God has you in his Keeping. We have you in our heart. Sadly missed but never forgotten.

## *Acknowledgement*

Perhaps you said a prayer of us, Or sat quietly in a chair. Perhaps you spoke the kindest words, as any friend could say. Perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much whatever the part.
