Family and Friends

*They say there is a reason,
Time heals all wounds,
I realize time nor reason plays no part,
Or change the way one feels,
No one knows the heartache behind the smiles,
And no one knows how many times someone has
Broken down and cried,
It's not the memories that hurt,
Because remembering is easy, we can do every day,
Missing you is the heartache
That never goes away.
So hard to be without you.*

Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral spray, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you very much whatever the part, may God bless you.

Forever in Our Hearts

To Those I Love And Those That Love Me

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a "Welcome Home."
