### *When God Saw You Getting Tired*

When God saw you getting tired and a cure was not to be, He put his arms around you and whispered, "Come to Me". He didn't like what you went through and He gave you rest. His garden must be beautiful, He only takes the best. And when we saw you sleeping so peacefully and free from pain, we wouldn't wish you back to suffer that again. Today we say goodbye and as you take your final rest, that garden must be beautiful because you are one of the best.

### *Acknowledgement*

*For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.*

*2 Timothy 4: 6-8*
