## In Appreciation

Perhaps you sent a lovely card,  
Or sat quietly in a chair.

Perhaps you sent a funeral spray,  
If so we saw it there.

Perhaps you spoke the kindest words, As any friend could say;

Perhaps you were not there at all,  
Just thought of us that day.

Whatever you did to console our hearts, We thank you so much  
for whatever the part.

## Unforgettable Moments

## A Farewell to My Daddy

*Daddy, you aren't here to hear this But you truly need to know*

*That throughout my life you directed me Against the ebb and flow  
Of difficulties and successes*

*You were always there to guide  
Your hand soothed my stresses  
In your wisdom I'll reside.*

*Now you've travelled onward  
To a place I cannot see  
While I miss you every moment  
I know you're still with me.*

*Your love and strength surrounds, Your life, I can follow.  
And now I can find peace  
In grief I will not wallow*

*Today I say Farewell  
But only for a while  
For love and memories always  
Vanquish eternal miles.*

*You were always there for the child in me And I will honor your memory  
By being all that you taught  
And by making my future, your legacy. Love You Always,*
