

"Barbara's Final Words"

For my family, friends and loved ones that I left behind; I want you to know what I had in mind. I thought of you all before I left; I loved you so much, I constantly wept. But God put out his hand for me to go; I had no time to let you know. Don't grieve for me, for now I am free of all the pain and suffering that plagued me for years; Weep not loved ones or lessen your tears and Thank God for our wonderful years.

The grave is just a bed, but in Heaven there will more to see; So wipe your eyes and dry your tears and prepare to follow me, In love we lived, and in that final day I peacefully died; You asked for my life, but God denied. He Welcomed me Home and said **Barbara**, "No More Worries and No More Pain;" And I said in reply, "To God Be the Glory, Thank You Father!!!" To my family, I'm free from my respiratory problems and are now resting in the bosom of the Master. So please do not grieve too long; and whatever you do, be kind, support and continue loving each other. Because I am home with God and there is no better place to be, so prepare your lives to follow me.

...always remember and apply the Final Words of Barbara

She loved testing her siblings on the Old Testament bible stories. **Barbara** was the life of the Goshay's family gatherings. She had a laughter that was jubilant and a beautiful smile. **Barbara** will be truly missed!
